

SEROXAT

Court sets deadline for compensation claims.

Have you had difficulties withdrawing from the anti-depressant drug Seroxat?
Have you found it impossible to withdraw from it? Are you having difficulties in withdrawing from Seroxat now?

The High Court made a Group Litigation Order in relation to the Group Action brought by around 500 individuals alleging harm from problems withdrawing from Seroxat.

On 19 May 2009 the High Court ordered that any individual who wishes to pursue a compensation claim must join the Group Action before 15 January 2010.

All individuals must have their claim investigated before they can join the action and so they need to come forward ASAP.

Register your interest now, call the Seroxat team at Hugh James, designated as lead solicitors for the purposes of the Group Litigation Order, on **02920 785 971** or go to www.hughjames.com/seroxat

The Group Register will close on 15 January 2010 and any individuals who have not joined at that date may lose their opportunity to be part of the litigation.

You should not stop taking any medication without consulting your doctor
